

CATHOLIC ARCHDIOCESE
OF MELBOURNE

UPDATE: GENERAL GUIDELINES COVID-19 Implications for the Catholic Archdiocese of Melbourne

As at: Tuesday 12 May 11.59pm

The following Guidelines are approved by Most Rev Peter A Comensoli, Archbishop of Melbourne, to assist Clergy and Faithful with questions pertaining to specific areas of liturgy and ministry in the Archdiocese of Melbourne during this time of the COVID-19 pandemic.

In relation to the latest directives announced by Government, there are **FOUR KEY POINTS** that directly affect churches, places of worship and liturgical celebrations and ceremonies held within.

1. All churches and places of worship may be opened for pre-arranged worship, small religious ceremonies or scheduled private worship times, subject to a number of conditions and to the decision of their Pastor.

2. Multiple liturgical celebrations or ceremonies can be held on the same day and may be determined at the decision of the Pastor and by the capabilities of each individual Parish to meet all the required conditions.

3. Prayer groups can be held in people's homes (and in churches) subject to a number of conditions.

4. Baptisms, Weddings and Funerals can be celebrated with new changes to numbers of attendees, and again subject to a number of conditions.

In general, conditions require:

- No more than 10 attendees in the Church at any one time outside those required to enable the service. (Weddings and Funerals excepted);
- Clear signage around service schedules, social distancing and hygiene requirements;
- Availability of sanitiser and disinfectant wipes, and safe disposal sites;
- Churches to be cleaned after a scheduled service or opening;
- Maintenance of 1.5m of separation and planned entry and exit pathways;
- All attendees to provide contact details.

GENERAL GUIDELINES

Please note most recent updates are marked in red.

An accompanying set of recommendations has been provided to assist in reviewing and determining what your Parish community can manage so as to effectively meet all health and safety requirements – and meet the spiritual and pastoral needs of your people.

It is important to note as we welcome the opening of our churches, what is made available in these early days will be at the discretion of the Parish Priest or Administrator who will best be able to determine the capabilities of each individual Parish to meet all the required conditions and pastoral needs of their people.

Please also consider maintaining your livestreaming where possible. This has been an important point of contact and spiritual resource for people, and will continue to assist the housebound, vulnerable and those who do not feel comfortable in returning to public spaces at the current time.

Contact details must also be taken as per regulations: First Name, contact number, time in attendance. ● Clear and frequent signage must be made available regarding distancing and hygiene requirements – and should particularly note the maximum number allowed in the space at any one time for particular celebrations. Floor and outdoor signage should be considered to prevent people congregating or waiting in queues.
<p>Masses, Ceremonies, Liturgies</p>	<ul style="list-style-type: none"> ● Multiple liturgical celebrations or ceremonies can be held on the same day, but cleaning must occur between liturgical celebrations or ceremonies. ● Each Parish must publicly publish a schedule of Masses and liturgies that will take place until the end of May, and how people may nominate for attendance; ● At least an hour must be allowed between liturgical celebrations or ceremonies to reduce the risk of crowds at entrances and exits. ● The four square metre rule, which limits the number of people who can be in a building, applies at all times. This pertains particularly to a Funeral, but possibly a Wedding or Baptism, where a larger number of attendees and those enabling the liturgy to run may be present. ● CONTACT DETAILS are required for all attendees at Masses or ceremonies – and must include: First Name + Contact Number + date and time at which the person attended the place of worship; ● Liturgical celebrations and ceremonies can still be recorded or broadcast live from the place of worship for viewing online. You are allowed to have people on site to record and live stream celebrations, however, you must ensure those people maintain physical distancing by keeping at least 1.5 metres between each other at all times. ● Places of worship may be opened for the purposes of conducting weddings and funerals, but there are strict limits on the number of people who can attend (see under listing for Weddings and Funerals).

	<ul style="list-style-type: none"> • Priests may celebrate Mass privately in a closed church for the purposes of live streaming. In doing so all precautions such as physical distancing and hygiene measures must be modelled and met. • Masses may be celebrated in Religious Community Chapels (for that household religious community only), and in Hospital Chapels as long as all conditions are met and in co-operation with the particular Health organisation and the Chaplain assigned to that place.

This permission pertains only to: <ul style="list-style-type: none"> - “people conducting services” - for the purpose of “broadcasting or live-streaming” <p>While this allows for more people to be involved, churches must abide by the 4 square metre per person rule for the capacity of the space, and adhere to the 1.5m between each person distancing — it does not open the door to in-person attendees unless they fall within the new categories announced 11 May 2020.</p> <p>The following points are to be strictly adhered to in every place of worship in the Archdiocese of Melbourne:</p> <ul style="list-style-type: none"> • Churches will be considered as "workplaces" for the purpose of allowing broadcast or live streaming of key liturgies and ceremonies for the faithful. • Only the minimum required for the proper conduct of the Liturgy and its broadcasting/live-streaming are permitted to be present; for example: <ul style="list-style-type: none"> - Household Clergy - A Server - Up to 2 Readers - A Musician and Singer - Videographers/Technicians • You may not have a choir or music ministry group, or any other group of people, located elsewhere inside the church, even if they are off-camera. • The 4 square metre rule applies in all circumstances.
