Dear Father Johnson

**Re:2019 Offer of Supplementary Capital Fund Support**

Thank you for your letter seeking confirmation of the offer of Supplementary Capital Fund (SCF) support to St Luke the Evangelist, Blackburn South.

Following your request, the project was put on hold while the Principal appointment was made at the end of 2019. I am delighted to hear that Mrs Liz Sullivan, has "hit the ground running this year" as Principal. I am pleased to confirm that the offer of SCF support remains in place as previously detailed in the initial offer letter dated 20 May 2019 (D19/36312).

Mr Wayne Hay, Project Officer from the Infrastructure and Capital Funding team, will continue to offer support during the next stages of project development to ensure the desired outcome for St Luke the Evangelist is achieved. I understand you have a meeting with the project team for early next term to finalise the project scope and to move the project forward.

I look forward to hearing of the successful completion of this project in coming months and the benefits this will bring to St Luke the Evangelist Parish Primary School. Should you have any further queries, please contact Mr Hay on 9267 0228 or [whay@cem.edu.au](mailto:whay@cem.edu.au).

Yours sincerely

*Jim Miles*
