- **VISITATIONS:**
Homes: Faith leaders may visit someone in their home on request to share spiritual ministry (or equivalent religious services) to provide care and support to a person who is at the end of their life. It is critical measures like face coverings and physical distancing are observed, and that the travel to the person's home and the visit are limited to what is reasonably required and necessary. (e.g. only required attendees should visit and just for the service).

Hospitals or Care Facilities:

Faith leaders may visit someone in a hospital or care facility to share spiritual ministry (or equivalent religious services) to those who are at the end of their life, or if it would support a patient or resident with their emotional or mental wellbeing, in line with other visiting restrictions and if this support cannot be provided remotely. It is important to note that strict limits on visitors apply in these circumstances. It is critical measures like face coverings and physical distancing are observed and these visits are limited to what is reasonably required and necessary (e.g. a visit has been requested by a patient). Such services can also be provided using video or live streaming, depending on religious tradition.

- **If you can work from home, you must continue to do so.**

All requirements around hygiene and distancing must be met, along with the collection of contact details.

STEP THREE – Regional Victoria (inc. Mitchell Shire)

It is critical measures like face coverings and physical distancing are observed, and that the travel to the person’s home and the visit are limited to what is reasonably required and necessary. (e.g. only required attendees should visit and just for the service).

Up to two people can visit a person at home each day. Infants under 12 months are not included in this cap, and other dependents can also attend if they cannot be left unattended or cared for in another setting. The two people may be from different households. This may open up some options for pastoral care, ensuring all hygiene regulations are met as indicated in the Guidelines.

Hospitals or Care Facilities:

Faith leaders may visit someone in a hospital or care facility to share spiritual ministry (or equivalent religious services) to those who are at the end of their life, or if it would support a patient or resident with their emotional or mental wellbeing, in line with other visiting restrictions and if this support cannot be provided remotely. - **If you can work from home, you should continue to do so.**

All requirements around hygiene and distancing must be met, along with the collection of contact details.

GENERAL LITURGICAL GUIDELINES – Face coverings:

These Liturgical Guidelines are intended to assist Clergy and faithful in the reverent and joyful celebration of Holy Mass while maintaining the health and safety precautions offered through health and government authorities. It is by carefully observing the directives and precautions outlined in this document that the celebration of Mass, even with the

limitations of restrictions now in place can take place prudently. We look forward to gathering together with all our people to safely celebrate the Eucharistic Sacrifice, but in the meantime we will follow these guidelines with diligence, using common sense and respect for others.

If there are difficulties maintaining any of the following directives, then Masses should be suspended.

FACEMASKS and SANITISING

Outdoor and Indoor Masses, Funerals, Weddings, Baptisms, and Live-Streaming.

- For Clergy: Masks should be worn as you enter for Mass. They may be removed during the celebration of Mass, but are to be placed back on for the distribution of Holy Communion and at the conclusion of Mass as you process out.
- All present in the worship space –including musicians, technicians for live streaming, and cleaners and musicians, **MUST** wear masks at all times as per the DHHS Guidelines.
- Sanitiser must be used regularly throughout the Liturgy and celebrants must visibly sanitise before and after the distribution of Holy Communion.
- Masks must be available. If anyone does not have one, or there is not one available, they cannot participate or enter the church.
- All hygiene and distancing regulations must continue to be met as per the general guidelines below
- **SINGING:** Particular attention should be given to singing during the celebration of Mass or other liturgies. Singing in groups is a high-risk activity and should be considered very carefully and with caution as permitted numbers increase to ensure that all safety precautions can be managed effectively.
 - When a cantor is singing, the mask may be lowered, but must be worn at all other times.
 - A Cantor should be spaced away from other participants (like the celebrating priest), and not directly above worshippers.
 - A singer must use a different microphone to readers and homilist.
 - Ensure microphones are sanitised before and after use.
 - These guides are advised for the celebration of weddings, funerals and other liturgical celebrations.

LITURGY OF THE WORD

- The reader may lower his/her mask for the readings. This applies as well for the Universal Prayer.
- This same direction is extended for a cantor (or singers where further number permit): when the cantor is singing, the mask may be lowered. It must be worn at all other times.

LITURGY OF THE EUCHARIST

- The hosts to be consecrated for the faithful should be placed on a separate Paten (or Ciborium) to the Paten holding the host that the priest will consume.

HOLY COMMUNION

The following information is designed to allow for the distribution of Holy Communion at Mass in a safe manner for both ministers and communicants. All liturgical norms that govern the ordinary distribution of Holy Communion are observed in these norms, preserving the integrity of the celebration and distribution of the Eucharist.

With the movement for Metropolitan Melbourne to Step Two, and with the Third Step in place still for regional Victoria, we are now able to gather in limited numbers and to again receive Holy Communion. Receiving Our Lord in this way is a moment of great significance and of personal intimacy with Jesus, and the Church wants to ensure it is done with dignity and respect. As Cardinal Sarah, Prefect of the Congregation for Divine Worship and the Discipline of the Sacraments recently wrote:

Aware that God never abandons the humanity He has created, and that even the hardest trials can bear fruits of grace, we have accepted our distance from the Lord's altar as a time of Eucharistic fasting, useful for us to rediscover its vital importance, beauty and immeasurable preciousness. As soon as is possible, however, we must return to the Eucharist with a purified heart, with a renewed amazement, with an increased desire to meet the Lord, to be with him, to receive him and to bring him to our brothers and sisters with the witness of a life full of faith, love, and hope. (Let us return to the Eucharist with joy! Letter on the celebration of the liturgy during and after the COVID 19 pandemic. (+Robert Cardinal Sarah, September 2020)

Cardinal Sarah also envisaged the need to put in place measures appropriate for this time:

In times of difficulty (e.g. wars, pandemics), Bishops and Episcopal Conferences can give provisional norms which must be obeyed. Obedience safeguards the treasure entrusted to the Church.

In light of this, and as a provisional measure for the time-being only, the Archbishop asks that Communion be distributed in the hand only (and not directly on the tongue), as a precautionary step to protect against COVID-19. This is not done lightly, because in normal circumstances the Church in Australia does not limit reception of the Sacrament to one way or another. **This is not a permanent situation, and will be reviewed at each significant change in the Victorian Roadmap. The Archbishop will lift this requirement at the earliest opportunity.** Catholics who do not feel able to receive the Sacrament in this way due to personal devotion or piety are to be respectfully encouraged to make a spiritual communion. You are reminded that in the case of serious sickness or end of life the Sacrament is available without restriction. In particular cases in which a communicant has some difficulty managing the mask and receiving Communion in the hand, please show pastoral care and utmost regard for them.

- All worshippers are to wear a face covering or mask throughout the celebration of Mass and the other Sacraments.
- Instructions on receiving Holy Communion should be given to communicants at the time of the Fraction Rite.

- The following is recommended:

The Priest or (minister):

- Sanitises hands before beginning distribution
- Wears a mask throughout distribution
- Each communicant comes forward to a place approximately 1.5 metres away
- Exchanges the dialogue, while both wearing their masks
- Places the host slightly above the outstretched and flat hands of the communicant
- Waits until the communicant has moved away before calling forth the next person
- Sanities hands after completing distribution

The Communicant:

- Required distancing between communicants is maintained in the queue.
- Wears a mask.
- Sanitises hands at a dispensing station before coming to receive Communion.
- Engages in the dialogue and receives the host in the hand, while wearing the mask.
- Steps several metres to the side, and away from the priest.
- Removes one side of the mask to place the Host in their mouth with the other hand.
- Re-positions the mask.
- Returns to their seat via a different pathway.

PLEASE NOTE: It is advised that when live-streaming, reception of Holy Communion is done off-screen/video.

Priests Daily Mass and obligations	<ul style="list-style-type: none"> • Daily Mass should be offered for all God’s people, the faithful in Melbourne, and the wider community.
Places of Worship and Gatherings	<ul style="list-style-type: none"> • All places of worship including churches, adoration chapels and other church buildings used for public prayer and religious services may open only for permitted religious ceremonies. • Metropolitan Melbourne: Outdoor religious ceremonies are permitted with up to 20 people plus a faith leader.
